# STRENGTHENING OUR COMMUNITIES

## YOUTH DEVELOPMENT

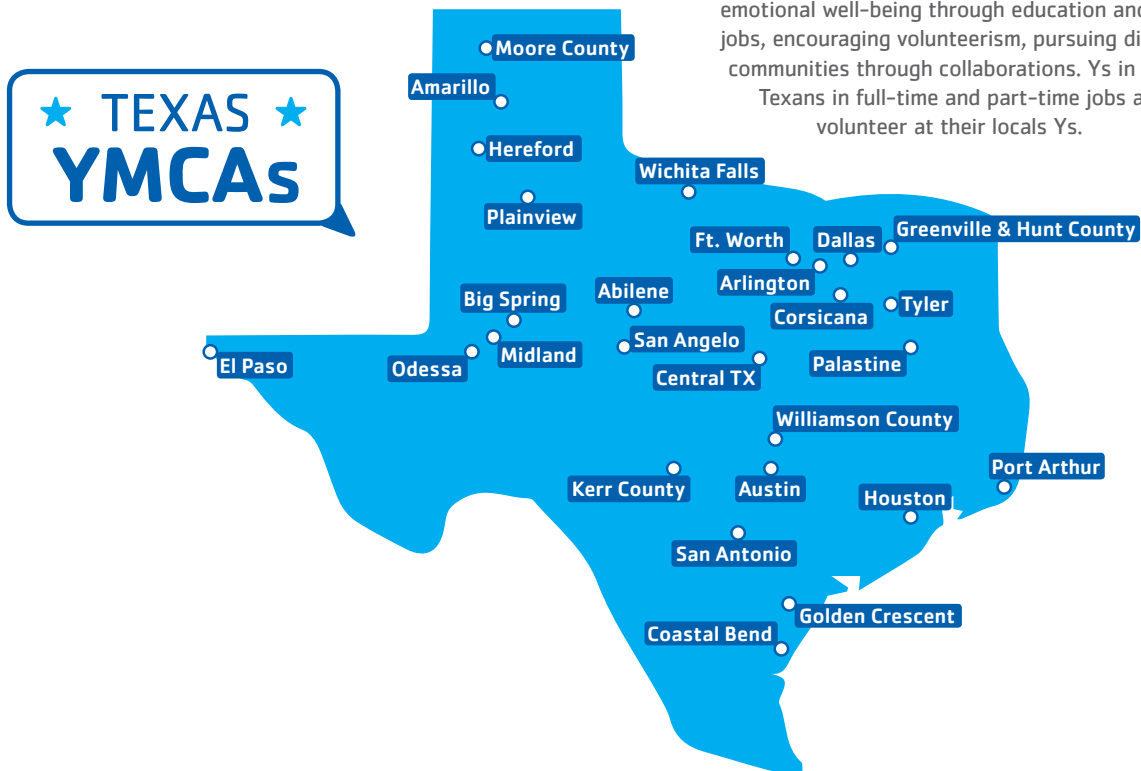

We believe all kids deserve the opportunity to discover who they are and what they can achieve. YMCAs collectively are the nation's largest provider of childcare. Ys offer families affordable, high quality care for pre-school and after-school children. Scholarships, subsidies and outreach provide critical assistance to low-income families. Through Y programs, over **638,290** teens and children are taking interest in learning; making smarter life choices; and cultivating the values of caring, honesty, respect and responsibility.

## HEALTHY LIVING

We are committed to helping people reach their full potential by promoting healthier lifestyles. With a mission centered on balance, we bring families closer together, encourage good health and foster connections through fitness, sports, fun and shared interests through our easily accessible programs. Nearly **990,000** Texans are active and engaged members and over **475,000** participated in Y programs.

## SOCIAL RESPONSIBILITY

We believe in giving back and providing support to our neighbors. For more than 150 years, Ys in Texas have been developing skills and emotional well-being through education and training, creating local jobs, encouraging volunteerism, pursuing diversity and building healthier communities through collaborations. Ys in Texas employ over **5,000** Texans in full-time and part-time jobs and nearly **50,000** Texans volunteer at their locals Ys.

## OUR MISSION
